

Description of the selection process for companies participating in HTID 2021

To ensure a good match between the participants, HTID regroups disruptive European companies looking for additional partnerships and funding for scale up in Europe.

Criteria

- **Biotech:** Developing treatments currently undergoing clinical phases
- **Medtech:** Developing a technology close to hit the market or on the market
- **Innovative services:** Developing innovative products & services highly demanded by healthcare partners
- **Digital-health:** Product developed or under development with partners (hospitals, pharmaceutical companies, industrials...)

Registration and selection process for companies

Registration will start on **April 12th, 2021 at 10am**.

Companies apply via an online. This form is not edited yet.

Companies will receive the information about the criteria and the selection process before and after completing this form.

Selection committee

D-1 of the date of the selection committee, the file with all the details of the companies having applied will be shared.

Selection committee composition:

- Elsy Boglioli BioUp
- Pierre Courteille Abivax
- David Caumartin Theraclion
- Nathalie Donne, NDO
- Alain Herrera
